WORK EXPERIENCE:

1/86 – Present

Dr. Kenneth J. Manges & Associates, Cincinnati, Ohio

Administrative Director. Forensic Psychologist & Vocational-Wage Loss Consultation/Testimony. Testimony for defense and plaintiff. Evaluations to determine the vocational and emotional impact of intellectual, academic, cognitive (TBI) and emotional functioning post injury as well as testimony in spousal support exams. Determination of loss of consortium or services after the death of a significant other. Determination of any loss of earning capacity and ability to return to work post injury or the impact of a death on the survivor in wrongful death matters. Forensic exams to determine the effect of trauma (sexual assault, birth injury, physical trauma as well as cognitive difficulties due to a closed head injury and/or emotional consequences due to an injury, accident, loss or trauma). Employment issues due to alleged lack of a person's fitness for duty, work place violence incident, or coworker threat or harassment. Exams to determine effect of excessive use of force damages. Individual counseling for employment loss due to emotional and/or physical/cognitive problems. IME exams regarding return to work due to alleged work injuries for state agencies (Ohio Industrial Commission and Bureau of Workers Compensation) as well as self insured employers and claimant attorneys. Vocational analysis for social security applications. Consultant to veterans and military attorneys regarding PTSD, TBI and disability ratings. Examination of the impact on veterans regarding deployment; Depression & Suicidal Behaviors; Sexual Assault & Depression; and Posttraumatic Stress. Forensic consultant and examination on matters related to complex civil litigation, labor law issues, and professional malpractice. Examination of defendants regarding competency, NGRI, PTSD, and mental capacity. Consultation with other professionals (regarding patient substance abuse, pain management, medical implants, and pre surgical evaluations). Evaluations and treatment of individuals regarding vocational issues and or emotional distress.
